DYERSBURG RESIDENTS SPEAK OUT FOR

THE WELFARE OF THE PUBLIC. It is just the same in Dyersburg as here in Union City; our friends there speak out in the same glad, earnest way as so many grateful Union City men and women have spoken in these columns for years past.

I had acute pains in the small of my back and though I was treated by doctors, I did not seem to improve. I finally decided to give Doan's Kidney Pills a trial and I was surprised by the prompt way in which they helped me. The concrete block, east of the pas- Gradually the pains left and in a re-

This plan was suggested as the most sanitary and suitable to everybody. The barrels will be filled twice a day with fresh water and ice, and placed in easy reach of the crowds. The visitors are therefore requested to bring their drink-
